# The New Testament

This New Testament module picks up where *The Story of Jesus* module leaves off, giving students an understanding of the early church. Students will explore the church from its inception with the coming of the Holy Spirit at Pentecost. Peter, Paul and John describe this in their letters to the churches. They will see how the church and its people are the plan for redemption given by God until Jesus returns. This will be a springboard for students thinking about themselves as an integral part of the church, and how they are called to participate in God's mission.
